

# INDIVIDUAL FIELD BAG

RG-3600-DD  
MSRP: \$249.87

Tactical Field Bag has been engineered to support our troops in even the roughest conditions. 100% made with US materials and manufactured in the USA, this sleeping bag has been constructed using military-grade specifications. The Tactical 20 Degree Field Bag sleeping bag features an oversized, rectangular footbox for use with 'boots on', a secondary closure system for quick exit and egress, designed for cold weather use with gloves on, full length insulated draft tube, color-coded zipper pulls and drawcords. Tested by our troops, this sleeping bag has proven to be a durable, performance driven product. Built for those who serve and prepared for any type of excursion.
